PROMA PARTNERS PLC

Facilitating Global Trade and Finance

YOUR GATEWAY TO ETHIOPIA

Connecting global manufacturers and investors with Ethiopia's growing economy through trade facilitation, market intelligence, and structured finance.

OUR CORE SERVICES

International Trade Facilitation

We connect global manufacturers with Ethiopian markets by facilitating structured and compliant trade relationships that support the import of essential commodities.

Business Valuation Services

Expert business valuation analysis to help organizations determine fair market value, support investment planning, and guide mergers & acquisitions.

Trade Finance & Advisory

Designing secure financial structures that support international trade transactions while managing risk and maintaining strict regulatory compliance.

Financial Structuring

We provide clear guidance from market entry to execution, ensuring your financial operations are optimized for the Ethiopian landscape.

WHY CHOOSE PROMA PARTNERS?

Deep Local Expertise
Strong understanding of Ethiopia’s regulatory and business landscape.

Compliant Solutions
Structured, transparent, and risk-aware transactions that meet global standards.

Trusted Advisory
A reliable partner to global financial leaders and strategic trade enterprises.
